

Hop on in and meet our bouncy bunch of four-year-old kangaroos! In our cozy classroom, little joeys leap into theme-based projects and early school skills with excitement. Their artistic paws are getting more independent, and they're mastering the art of writing their name. They're ace at spotting letters, numbers, shapes, and colors—almost like nature's best observers! Sorting, classifying, and grouping is their jam, and simple math games bring out their playful side. Science is a BIG deal here—we chat about nature, experiment like mini scientists, and whip up magical potions with glee. Puzzles are a favorite pastime, and non-fiction books spark their curiosity for the world around them. Most importantly, our kangaroo crew learns to name their feelings and handle their emotions, helping them hop toward solving disagreements all on their own. It's a joyful adventure every day! 🦘❤️

Please feel free to call or email us to schedule a tour and ask us any questions.

"Where big ideas happen in little hands!"

"Life's a hop, skip, and a jump—so keep bouncing toward your dreams!" 🦘❤️

Developmental Milestones

Little Joeys Growing & Hopping Along!

- Imagination Blooms! Make-believe is their world, sometimes blending with reality! ✨

- Teamwork & Friendship! Cooperative play and bonding with pals take center stage.

- Name & Age Pride! They know their full name and birthday details! 🎂🎈

- Learning Leaps! Recognizing letters, numbers, shapes, and colors is a big hop forward! abc 1234

- Counting & Opposites! “One, two, three!” plus big vs. small, fast vs. slow—it all clicks! 🌍🌟

- Growing Skills! Fine motor, coordination, rhyming, and independence improve daily.

Every hop brings new discoveries—your little one is bouncing toward bright futures! ✨

What to Bring

What to Bring—Hop, Skip, and Pack Away!

- Extra Outfits, Just in Case! Accidents happen, and we keep things low-key to prevent embarrassment. Pack a few extra clothes so your little joey is always comfy. Soiled clothes will be tucked away in a sealed bag and sent home for washing.
- Toy Time on Fridays! Fridays are extra fun because kiddos can bring a favorite toy from home. Be sure it's labeled with their name so it doesn't hop away with another friend's belongings!
- Snuggly Comfort Friend! Your child may bring one stuffed animal from home for extra cuddles and security. It must have their name labeled so it doesn't get lost in the big adventure of the day!
- Food from Home—Check First! If you'd like to send snacks or meals from home, please check in with the director or administrative staff to make sure it's a-okay before packing up your little one's lunchbox.

We're excited to make every day a safe, fun, and hoppy adventure! ✨

Positive Parenting Tips

Positive Parenting Tips—Hop into Happy Habits!

- Storytime Snuggles! Read to your little one to spark their love for books. Take trips to the library—it's like a treasure trove of adventures waiting to be discovered! 📖✨
 - Tiny Helping Paws! Let your child assist with simple chores, grocery shopping, and meal-making. These little tasks boost confidence and teach important life skills! 🍎🍴
 - Playdate Joy! Encourage playdates to help your joey learn teamwork and the magic of friendship. Little hops together make big bonds! 🧡❤️
 - Clear and Consistent Communication! Show and explain the behaviors you expect. When rules are steady and fair, your child feels safe and secure! 🌈📖
 - Choice Time for Confidence! Let them pick between options to feel more in control of their day. A sense of autonomy helps them grow into independent, happy little hoppers! 🏠❤️
 - Big Words for Big Thinkers! Use advanced vocabulary when talking to them—it helps their growing minds grasp and use complex phrases with confidence! 🦘🧠
- Little by little, each hop forward brings your child closer to becoming a curious, capable, and confident explorer of the world! ✨
