## WHAT WE DO

Welcome to our cozy, love-filled infant room—where snuggles, giggles, and care come first! Here, little ones eat, sleep, and play at their own pace, just like at home. Our attentive caregivers follow each baby's unique schedule, keeping detailed logs to ensure they're fed and changed right on time. Of course, if a little one needs extra comfort, we take care of them immediately! From tummy time with colorful toys to baby-safe mirrors for adorable self-discovery, every moment is designed to spark curiosity and encourage movement. Our loving teachers fill the day with sweet songs, playful chats, and storytime magic to support early language development. It's a warm, nurturing space where your baby can feel safe, loved, and free to explore! 💖✨

## WHAT TO BRING FOR YOUR LITTLE ONE'S COZY STAY

  - Pacifiers (if your child uses them—bring a couple!)
  - Extra clothes for little messes—soiled outfits will be sealed and sent home for washing
  - A labeled crib sheet & blanket for sweet, snug naps
  - Diapers & wipes provided! Unless your child uses a specific brand
- All personal items will be labeled, stored safely in your child's cubby, and washed and sanitized after every use!

We can't wait to care for your little one! 💖✨

## Positive Parenting Tips

- Talk to your baby—your voice is their favorite sound and brings them comfort! 💖
- Answer their little sounds—repeat and add words to help them learn language.
- Read together—Story time builds early language skills and a love for books! 📖✨
- Sing or play music—it nurtures social-emotional growth and strengthens your bond. 🎵
- Praise & cuddle often—love and attention help them feel safe and secure. 🤗
- Play when they're relaxed—watch for signs of tiredness, hunger, or, well... poop moments! 😊
- Keep them engaged & safe—distract with toys and move them to safer areas if needed.
- Take care of YOU too! Parenting is hard work—your well-being helps you enjoy every moment.

You're doing an amazing job—every cuddle, word, and giggle is helping your baby grow!
