

WHAT WE DO

Welcome to our loving two-year-old room, where little explorers grow, play, and thrive! Here, our caring team ensures diaper changes happen every two hours or as needed, keeping your little one fresh and comfortable. If your child is ready, we also begin potty training in this class. Our daily routine is thoughtfully designed to spark joy and curiosity, with art time, storytelling, free play, and outdoor adventures. Our space is filled with exciting play structures encouraging climbing and movement, helping build strong muscles and confident movers! Most of all, we're here to be your trusted partners in caring for your child, creating a warm and nurturing environment where they feel safe, loved, and ready to shine!

"Swing into the two-year-old monkey class, where the little ones go absolutely bananas learning and playing all day long!" 🐒🍌

WHAT TO BRING

A little extra goes a long way! 🧺👕

- 🧺 Backup outfits save the day! Please bring extra clothes so your little one is always comfy and clean.
- 🧺 Messy moments happen! Soiled clothes will be placed in a plastic bag and sent home for washing.
- 🧻 Potty training pros need plenty! Please send several changes of clothes to help them through this exciting milestone.
- 🧺 Pacifier pals: We begin weaning children off pacifiers at this age, but if your child still needs one during transitions, please make sure it's labeled with their name.

Thank you for helping us keep your kiddo happy, dry, and ready for fun!

DEVELOPMENTAL MILESTONES

- 🌟 Copycat Cuties: Watching and imitating adults and older children, learning through playful observation!
- 🦋 Social Butterflies: Thrilled to be around other kiddos, enjoying side-by-side play while beginning to include friends in their fun!
- 🚀 Building Independence: Gaining confidence, expressing needs, and sometimes showing a bit of spirited determination!
- 🗣️ Expressive Explorers: Beginning to label familiar people, body parts, and pictures, bringing the world to life with words!
- 🎨 Color & Shape Detectives: Starting to recognize shapes and colors, making connections through play!
- 🎵 Tiny Songbirds: Singing along to songs and finishing rhymes, growing a love for music!
- 🗣️ Mini Communicators: Using short sentences and following simple directions, discovering the power of words!
- 🖍️ Handy Helpers: Favoring one hand, doodling lines and circles, and exploring new ways to express creativity!
- 🏗️ Little Architects: Stacking blocks into towers, creating and building with excitement!
- ⚽ Active Adventurers: Balancing on tiptoes, kicking balls, taking stairs, and bravely climbing up and down furniture!

Every day is an exciting journey, and we're here to support them as they grow, play, and explore their world! 💛

POSITIVE PARENTING TIPS

- 📖 Storytime snuggles: Set aside special moments to read together—books bring imagination to life!
- 🎭 Playful pretend fun: Encourage pretend play with games like Follow the Leader or Simon Says—they love to mimic and explore creativity!
- 🌿 Nature adventures: Take them on walks or enjoy a breezy car ride with the windows down—fresh air sparks curiosity!
- 🗣️ Name & age pride: Help your child learn to say their name and age—it's a big step in independence!
- 🖐️ Finger play giggles: Teach fun songs like Itsy Bitsy Spider to boost coordination and rhythm!
- 🌟 Praise & encouragement: Celebrate when they follow instructions and show positive behavior—it builds confidence!
- ❤️ Big feelings, gentle solutions: Teach and model ways to express emotions and handle stressful moments with love and understanding!

Every little interaction helps shape their world—thank you for being their biggest cheerleader! 😊
