

WHAT WE DO:

Welcome to our wonderful one-year-old room! Here, our loving caregivers will change diapers every two hours or as needed and create a cozy daily schedule that includes rest time, story time, free play, and outdoor adventures. Outside, we have a little playground perfect for tiny explorers to climb and move, helping them build those big motor skills.

We believe in teamwork when it comes to caring for your child and want to be your trusted partners. Please share any special details with our amazing teachers so we can provide the best possible care for your little one! 🧡🌟

☀️ Exciting Developmental Milestones for Your Little Explorer! ☀️

Your little one is growing, learning, and becoming quite the adventurer! Here's what you might see as they reach new milestones:

🐾 **On the Move** – Rocking back and forth, creeping, crawling, and even pulling up to stand with a little support! Soon, they'll be "cruising" along furniture, getting ready for those first big steps. Watch out—once they start, climbing and dancing become part of the fun (and tumbles are all part of the learning)!

🏐 **Play with Purpose** – Your little one will start handling balls and toys with more intent—tapping, pounding, and exploring all sorts of ways to use their tiny hands. They'll also love putting things into boxes or containers, mastering that all-important eye-hand coordination.

😊 **Big Feelings & Social Fun** – Smiling, vocalizing, and using gestures to start conversations! They'll respond to others' emotions—comforting a friend who's upset and lighting up when they see familiar faces. Plus, they'll begin watching and imitating other children, showing interest in playing and even sharing giggles when others laugh.

It's a joyful journey of growth, and every milestone brings more curiosity, connection, and adorable moments to cherish! 💖☀️

WHAT TO BRING

☀️ Please send your little one with extra clothes, just in case! If any outfits get messy throughout the day, we'll tuck them safely in a plastic bag and send them home for washing. That way, your kiddo stays comfy and clean all day long!

🟢 At this age, we gently begin to wean little ones off their pacifiers. But if your child still finds comfort in one during transitions, feel free to send it along—just be sure it's labeled with their name so their trusty little soother stays safe and sound! 🍼☀️💖

💜 We've got your little one covered with diapers, wipes, and cozy crib sheets! If a snuggly stuffed friend would help make nap time extra comforting, feel free to send one along. Just be sure to add your child's name so their cuddly buddy always finds its way back to them! 🧸💖☀️
